**Emergency Response Guidebook (ERG)  
Call for Comments  
on the  
Planned Revision for 2012 Publication**

---

The US PHMSA (Pipeline and Hazardous Materials Safety Administration) published a notice in the Federal Register on July 23<sup>rd</sup>, 2010. They are seeking comments on the planned revision of the Emergency Response Guidebook (ERG). The next edition is due for publication in 2012. PHMSA is soliciting comments on the development of the new 2012 ERG, particularly from those who have experience using the 2008 guidebook.

Comments must be received by September 21, 2010.

For information on how to contact PHMSA or for further details on the questions for which they would like responses, please go to the following link:
